

## Carriage Services Announces Offering of Additional Senior Notes

December 5, 2019

HOUSTON, Dec. 05, 2019 (GLOBE NEWSWIRE) -- Carriage Services, Inc. (NYSE: CSV) ("Carriage Services" or the "Company") today announced that it intends to offer, subject to market and other conditions, an additional \$75 million aggregate principal amount of its 6.625% senior notes due 2026 (the "new notes") through a private offering to persons who are reasonably believed to be qualified institutional buyers pursuant to Rule 144A and to certain persons outside of the United States pursuant to Regulation S, each under the Securities Act of 1933, as amended (the "Act"). On May 31, 2018, the Company completed an offering of \$325 million of its 6.625% Senior Notes due 2026 (the "initial notes" and, together with the new notes, the "notes"). The new notes will have terms identical to the initial notes, except with respect to the date of issuance, the issue price, the initial interest accrual date and the initial interest payment date, and the new notes and the initial notes will be treated as a single class of securities under the indenture governing the notes.

The new notes, like the initial notes, will be unsecured, senior obligations of the Company, and interest will be payable semi-annually in arrears. The new notes, like the initial notes, will initially be fully and unconditionally guaranteed, on a senior unsecured basis, jointly and severally by each of the Company's subsidiaries that is a borrower, or guarantees indebtedness, under the Company's credit facility.

The Company intends to use the net proceeds of the proposed offering for general corporate purposes, including reducing revolving debt and acquisitions.

Neither the new notes nor the related guarantees have been, nor will be, registered under the Act or the securities laws of any other jurisdiction and may not be offered or sold in the United States absent registration or an applicable exemption from such registration requirements.

**This news release shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any offer, solicitation or sale of securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.**
